WEEKLY REPUBLICAN—1867.
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., SATURDAY, SEPTEMBER 24, 1904.

ONE COPY—ONE CENT.

POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Wanted, a copy of THE LEDGER of Wednesday, September 14th.

Dr. R. M. Skinner of Flemingsburg this week shipped a pair of Scotch collie pups to Thomas S. Griffith at Spokane, Wash.

It seems that the Maysville Baseball Team are out of their class when they stack up against the Georgetown, O., boys. Yesterday the latter team won by a score of 4 to 1.

100 Engraved Visiting Cards and plate \$1; cards printed from your own plates. Reception Cards. 100 Engraved Wedding Invitations only \$9. MURPHY, the Jeweler.

Charles Slack and James Seely have taken charge of the New Central Hotel barber shop. They are high-class tonsorial artists and are young gentlemen of good deportment worthy of public patronage.

The Katie Mack, the low-water packet between this city and Cincinnati, came up yesterday with two lighters loaded to the guards. It was the biggest lot of freight received at the wharf for many a day.

The fellow who painted Harry Owen's dog, Fritz, may have thought he was doing something funny; it is dollars to doughnuts if Harry knew who did it there would be another kind of painting not to the funny fellow's liking.

Dr. J. B. Taulbee received information from New York yesterday that the steamship Caracus, on which his daughter, Miss Esther, and Captain Taulbee and wife were passengers, had arrived in San Juan, Porto Rico, Thursday at 6 a. m.

Judge Nunn, in the Court of Appeals Thursday, delivered an opinion affirming the Fleming Circuit Court in the case of the Commonwealth against the L. and N. Railroad Company. The lower Court dismissed an indictment charging nuisance by the erection of a bridge.

Conductor Charles Sanders, one of the most popular men on the C. and O. road, was taken off the train at Vanceburg yesterday suffering with appendicitis. His condition this morning was unchanged, and he was removed to the hospital at Clifton Forge, where it is probable he will undergo an operation.

Yesterday Mr. John C. Everett was driving in a buggy and turning into Court street he collided with Governor Edgington, who was pushing a wheelbarrow. For a time the air was filled with flying buckets, trove's and other utensils. The Governor, however, was not hurt—only disconcerted for a few minutes.

It is being whispered about in high circles that the dividend rate on C. and O. is to be increased in the near future. The annual report showed a net increase of over \$750,000, and the surplus earnings were equal to about 4% on the stock. The company has been paying dividends at the rate of 1% per annum, and it is said that an increase to 2% is being considered seriously.

The Court of Appeals yesterday reversed the Mason Circuit Court in a case of the Commonwealth against William Schatzmann. The appellee was indicted for permitting a slot machine to be operated on his premises. The Court below sustained a demurrer to the indictment and the Appellate Court says the indictment is good. The suit of Commonwealth vs. Diener was also reversed.

The Appellate Court Thursday, Judge Settle writing, affirmed the judgment of the Nicholas Circuit Court in the case of the Commonwealth against John C. Kennedy. The action was to recover about \$4,000 taxes paid by taxpayers of Nicholas county to the Sheriff under levies made by the Fiscal Court of the county, of which appellee was a member. The lower Court sustained a demurrer, and the Court of Appeals holds that members of a Fiscal Court cannot be held liable individually for acts of the Court.

The Metropolitan Life Insurance Company has a nicely displayed ad in THE LEDGER today setting forth and giving well defined reasons why it is the greatest life insurance company in the United States. The amount of outstanding insurance is stupendous, almost beyond comprehension. This company has offices in this city, and Messrs. R. H. Powell and H. C. Burk are the gentlemanly Assistant Superintendents. Parties wishing insurance had best consult either of the above gentlemen before taking out policies.

The recent acquisition of his partner's interest in the business leaves Dan Perrine, the Jeweler, with a larger stock on hand than he wishes to carry at present. It is his purpose to sell as much goods as possible to make room for the newest novelties, which will soon be coming on for the fall and holiday trade. He invites your patronage with attractive prices—10 to 30% discount on anything in stock. Some handsome decorated Chinaware at 20% reduction. If you need anything in jewelry, go to Perrine's.

JENNIE CAME DOWN!

Pathetic Incident Happened On Her Beau's Return Home

The Reno Journal tells of a pathetic incident which happened at Virginia City.

The other morning a young man who had been away from his home town hastened from the train to the residence of his Star of Hope. Her mother answered his nervous ring and invited him in.

"Yes, Jennie is at home, upstairs; I will call her."

Stepping to the foot of the stairs, she called: "Jennie, Will is here and wants to see you."

"I can't come down now, mother; I'm just taking a bath."

The young man was impatient and stepping to the foot of the stairs, he called—

"I must see you for a minute, Jennie. Slip on something and come down."

She slipped on the top step and came down and he saw her, but less than a minute.

George is an old Washington boy, and when Rall and Hopwood taught their famous school at that place, George and Frank Hopwood were great chums and many's the prank they played. George would have been at Franklin yet hadn't Schofield ordered the retreat to Nashville, the boys said.

HUNTER BEATEN!

Republicans Will Not Stand For Crookedness in Politics

Under orders of the Republican State Central Committee, the Eleventh District Republican Committee made a canvass of the recent primary vote between Dr. W. Godfrey Hunter and Dr. C. Edwards for the Congressional nomination in the Eleventh District.

As a result, the nomination was given to Mr. Edwards by a majority of 816.

It will be remembered that Dr. Hunter claimed the election, and that he had himself "certified" as the nominee.

There was so much crookedness charged, however, that the people would not stand for it.

School STOCKINGS!

Stockings are a vulnerable point, they ought to be as sturdy and strong as possible. These are all that—they are made to fit well too. And you can't equal them in price lowness for their quality.

JUDGE PARKER says that he regards the Gold Standard as "firmly and irrevocably fixed." He neglects, however, to express any regret that he voted against it in two Presidential elections.

Political Pickings

WILL THINK IT OVER.

Vanceburg Sun.
Although the statement has been made to the contrary, we are reliably informed that Judge Pugh was in no sense a candidate, and had not solicited the support of any delegate at the late Congressional Convention. So far as we are able to ascertain, he has never, either before or since the Convention, stated that he would accept the nomination, even if tendered by acclamation. He states that as soon as he learned that his name was being used in a contest at Cynthiana he promptly endeavored to get word to his friends there to prevent it. He got no word whatever from the Convention until after the hour for it to convene, and that was a message to another person. He says to us that the contest was an entire surprise to him, and while those who engaged in it acted in good faith, and he has no one to blame, it has rendered it expedient to inquire into the situation before determining as to what is best to be done for the welfare of the party under the circumstances. The District is normally against us, and the great interests at stake demand that we should present a united front at the election.

Making Stock Pay

Most people who have stock know that keeping it in good condition is money in their pockets. Condition powders are widely used—often with poor results. The ordinary kinds are an odd mixture of good and bad—gotten up in the "hit-or-miss" fashion. Remedies for stock should be as scientific as those for the human family, and on this basis we compound our

Chenoweth's
Bluegrass Stock Food.

You can expect better results and will not be disappointed.

MOST RIGHTEOUS JUDGE!

Decision Affecting Right to Property of a Devoted Woman

The contest of Mrs. Pearl Sive, wife of Al Sive of Newport, for a homestead right in property in Monmouth street, that city, was determined by Judge Cochran in the United States Court at Covington.

The property, a store with living rooms above, was transferred to Mrs. Sive in December, 1901. At that time Mrs. Sive, with her husband and their two children, lived there.

In April, 1902, they moved with their children to Maple avenue into a house they rented.

Mrs. Sive, who conducted a shoe and millinery business in the property, became a bankrupt.

Her creditors claimed she was not entitled to homestead exemption in respect of the Monmouth street property because she had not occupied the premises as a home, and was not the head of a family with anyone dependent on her for support.

M. M. Durrett, Referee in Bankruptcy, when the question came before him, decided that the contention of the creditors was good, and so refused to allow Mrs. Sive's homestead claim.

She appealed, and in finding that Mrs. Sive is entitled to her homestead claim Judge Cochran says:

"A married woman with a family who furnishes the house for herself and family is a bona fide housekeeper with a family within the meaning of the statute. She does not have to be the actual head of the house. It is sufficient that she has a family and furnishes the home. Moving to Maple avenue did not affect her claim to Monmouth street property as a homestead, because there is sufficient evidence of intent to return to preserve the homestead right."

Trials of Motherhood

235 Broad Street, PHILADELPHIA, PA., June 12, 1903.

I suffered for nine years with ovarian troubles making life a burden to myself as well as to my family. During that time I had two miscarriages and although we longed for a child to bless our home this seemed impossible. I had constant racking bearing-down pains in the pelvic organs and a pulling through my limbs with frequent headaches. I felt sick at my stomach and vomited frequently and no medicine helped me until I tried Wine of Cardui.

Then my general health improved, the pains gradually lessened and after 18 weeks I was well. I am now the happy mother of a boy eighteen months old and my husband joins me in sending heartfelt thanks to you for your splendid medicine. Without it I would have been a childless, instead of a happy and well mother.

Ans. Fredrick Nirdlinger

CHAPLAIN, ST. ANDREW'S ASSOCIATION.

WINE OF CARDUI

Wine of Cardui is the most successful menstrual regulator. By regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Nirdlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Nirdlinger lives in Philadelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same medicine is within your reach. Will you take it?

All druggists sell \$1.00 bottles Wine of Cardui.

JUDGE FOR YOURSELF.

Which Is Better—Try An Experiment or Profit By a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the indorsement of friends is. Now supposing you had a bad back—A lame, weak or aching one. Would you experiment on it? You will read of many so-called cures, indorsed by strangers from far away places. It's different when the indorsement comes from home.

Easy to prove local testimony. Home indorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case: Mr. Fred W. Bauer, job printer of No. 4 East Second street, says:

"For a year or more I had considerable pain in my back. The secretions from the kidneys were dark and there was some inflammation of the bladder, evidenced by a sensation of scalding. Doan's Kidney Pills came to my knowledge and I procured them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. The treatment soon restored the kidney secretions to a natural color, ended the inflammation and banished the pain from my back. If a cold or any other cause should bring on a recurrence I now know what to use."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
